friend in need is a friend indeed

WRITING

Friend in need is a friend indeed.

Now I am going to talk about friendship.

It was sunny day. I was walking with my friend Alice. She's a dark-haired person with brown eyes. I always felt comfortable and relaxed when I was communicating with her because she's active and honest. We were talking when suddenly Alice saw a big dog and said that it was going to attack me. She quickly took my hand and started to run as fast as we could. Fortunately, the dog had lost us and we were saved.

I think, some people would leave me in such situation and run away but Alice didn't do it. I believe, she is a real friend on whom I can rely. "Friend in need is a friend indeed".
