WRITING

The more the better

Onece I was going down the street in order to seeing with my friends in our park. The weather was nice. It was sunny, the birds were singing and the light wind was blowing.

As I was run

I wore a pretty blue dress with a flower print. As I was run out of time, I called to my friend and asked him to wait for me. He said that he had been waiting me for 15 ~~minutes~~ minutes and he was tiered. I caught the first bus and went to the end station.

When I met him, he was standing near the shop. He sugsested buying some chocolates. When he came into the shop he started buy everything: chocolates, candy bars, fizzy drinks. I was really siprised. When we came out he said with pleasure: "The more the better".
